

Senior Operator – Biofuel

London

Reporting to the Head of Biofuel Trading, the senior operator shall work alongside the biofuel traders from whom they will take day-to-day instruction. The role, as part of the trading team is to manage truck and rail, barge, cargo and blending operations, primarily for the FAME trading book:

- » Responsible for all operational aspects of the FAME book : inspection, documentary instructions, load, discharge and blending instructions relating to all movements
- » Monitoring, controlling and reporting cargo, demurrage and associated costs
- » Maintain up to date Stock Sheets and assist with stock management
- » Liaise closely with Treasury to ensure payments are made/received in a timely manner
- » Assist with planning of blends and vessel movements
- » Manage both term and spot nominations as instructed by trader
- » Optimise revenues where possible through planning /blend optimisation
- » Assist with the optimisation of sustainability data assigned to various contracts
- » Liaise and negotiate with 3rd parties on load volumes, costs, vessel/barge dates
- » Back up ARA blending
- » Negotiate/charter barges and vessels alongside FAME trader
- » Liaise closely with Risk and Sustainability team to ensure data/pricing is as accurate as possible
- » Instruct blends/tank moves and loadings

Liaison with traders and risk management This is an intensive role which requires a commitment to be available outside of normal working-hours. Occasional help and support to the operations team may be (but not envisaged) required in situations of holiday/sickness cover.
