

Management Accountant – Flexigrid

Manchester

Greenenergy is a fast paced and growing organisation. Each employee adds value to the business and the expectations are high. Greenenergy is a big organisation with a small company mind-set. The work is diverse and interesting; we are constantly evolving and improving.

The Flexigrid business operates a fleet of over 100 petrol tankers to deliver fuel to our customers.

Purpose of role:

Support the Flexigrid Reporting Manager in all aspects of the financial management of the Flexigrid business.

Main duties of the role:

- » Management Accounting & Reporting - Prepare the management accounts, Balance Sheet and KPIs together with meaningful commentary & analysis to meet the group timetable and the needs of the Flexigrid management team.
- » Business Planning & Financial Analysis – Assist with the preparation of budgets & forecasts
- » Commercial Business Partnering – Become a valued partner to the Flexigrid team, offering insightful financial analysis and commercial challenge.
- » Relationship Management - Build strong relationships with the group finance team and the wider Flexigrid teams, which are largely comprised of non-finance staff.
- » Ad hoc queries - Assisting with ad-hoc finance queries from operational managers

Required competencies:

- » Part qualified accountant (ACCA, CIMA) with experience of working in commercial environment and strong accounting background.
- » Accustomed to undertaking month-end procedures and associated reporting, as well as producing business forecasts and budgets.
- » Willing to travel as required to other sites (Tamworth and London).
- » Be a strong communicator and possess an ability to develop trusting and credible business relationships.
- » Have a questioning an inquisitive mind – not afraid to ask questions or challenge convention, nor to drive improvements and efficiencies as appropriate.
- » Takes personal responsibility for their work.
- » Comfortable working independently of direct supervision and able to demonstrate personal initiative and drive.

- » Able to analyse and interpret significant quantities of financial data and relate back to business issues
- » Able to understand different points of view and work with all parties to agree the best way forward

Nice to have:

- » Experience of working within a manufacturing / haulage environment.
- » Knowledge of Oracle.
- » Advanced knowledge of MS Excel.

People are key to our continuing success; we work hard to reward, develop and retain staff. We offer a competitive salary, career progression opportunities, along with a comprehensive benefits package which includes;

- 25 days holiday per year, increasing by 1 day after 5 years' service for every full year up to a maximum of 30 days plus bank holidays
- Private Medical Insurance
- Worldwide Travel Insurance
- Company Pension
- Life Insurance cover of 4 times basic salary
- Eye Care Vouchers, Flu Jobs
- Ride to Work Scheme
- Access to a discount site for things like eating out, health and leisure etc.
- You will also have access to the 24/7 Employee Assistance Programme.
- Excellent Staff Facilities
