About us

In business for over 30 years, Greenergy is an international fuel supplier with global supply chains and access to strategic infrastructure, supporting commercial, wholesale and retail customers.

Since entering the Canadian market in 2013, Greenergy has expanded its supply infrastructure with a focus on bringing quality, reliable, low-cost fuels close to its customers.

Superior supply reliability for our customers.

We will make every effort to provide you with the best combination of price and service and work to meet the specific needs of your operation.

Our Woodstock supply point is in partnership with Seaboard offers customers with a local, reliable, and efficient truck loading alternative.

Quality fuels offered

Our Woodstock supply location offers 24/7 truck loading capabilities for the following quality fuels:

- Regular Gasoline (RUL)
- Premium gasoline (PUL, EPUL)
- Ultra-low sulfur furnace oil (ULSFO)
- Marine Diesel (MDO)
- Diesel (ULSD) clear and dyed
- Gasoline Blend Stock (CBOB)
- Propane.

All Greenergy fuels go through effective quality processes and procedures.

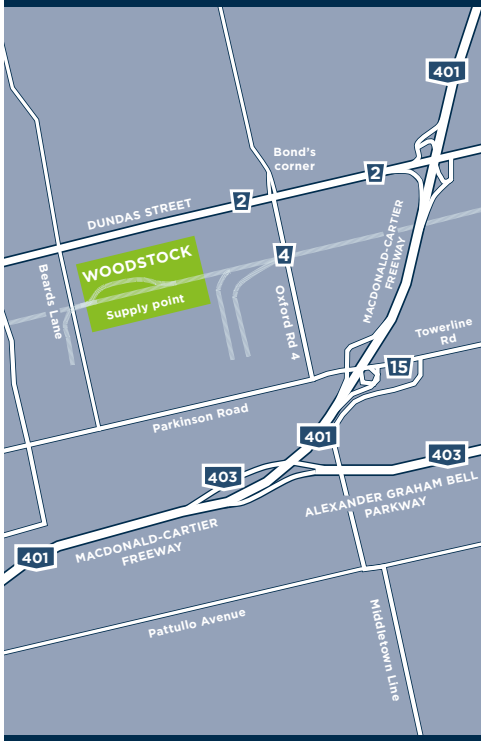

Our fuel is tested by independent third-party labs to confirm its quality standards.

Safety

Safety underpins everything we do. We create safe working environments by continually working to identify, assess and mitigate the risks associated with our operations.

We encourage and empower every individual working across the business to observe and report hazards, near misses or unwanted events, however small, without fear of blame.

Conveniently located minutes from Highway 401, the rail and truck fed terminal is located North of where 401 and 403 connects.
