

Greenery Woodstock

Our Woodstock supply point provides competitively priced, reliable, local fuel supply to the Southwestern Ontario region.

About us

As an established fuel supplier Greenery offer reliable fuel supply of gasoline, diesel and biodiesel fuels. Our unique and innovative supply chain and terminal network enables us to source and supply fuels from multiple sources, minimizing any dependence on specific refiners.

Superior supply reliability for our customers.

We will make every effort to provide you with the best combination of price and service and work to meet the specific needs of your operation.

Our Woodstock supply point is in partnership with Seaboard and offers customers with a local, reliable, and efficient truck loading alternative.

Quality fuels offered

Our Woodstock supply location offers 24/7 truck loading capabilities for the following quality fuels:

- » Diesel (ULSD)
- » Dyed diesel (ULSDD)
- » Ethanol blended gasoline (E10, E15)
- » Premium gasoline (PUL)
- » Ultra-low sulfur furnace oil (ULSFO)

All Greenery fuels go through effective quality processes and procedures.

Our fuel is tested by independent third-party labs to confirm its quality standards.

Safety

Safety underpins everything we do. We create safe working environments by continually working to identify, assess and mitigate the risks associated with our operations.

We encourage and empower every individual working across the business to observe and report hazards, near misses or unwanted events, however small, without fear of blame.

Conveniently located minutes from Highway 401, the rail and truck fed terminal is located North of where 401 and 403 connects.
