

Greenergy

Thunder Bay fuel terminal

Our Thunder Bay fuel terminal provides competitively priced, reliable, local fuel supply to Northwestern Ontario

About us

In business for over 30 years, Greenergy is an international fuel supplier with global supply chains and access to strategic infrastructure, supporting commercial, wholesale and retail customers.

Since entering the Canadian market in 2013, Greenergy has expanded its supply infrastructure with a focus on bringing quality, reliable, low-cost fuels close to its customers. Greenergy also offers reliable, low-cost fuel supply to independent retailers

Superior supply reliability for our customers.

We will make every effort to provide you with the best combination of price and service and work to meet the specific needs of your operation.

In 2017, we acquired CAN-OP's fuel and terminal operations in Thunder Bay. We have continued to make investments to the truck and rail fed terminal, to create a seamless driver experience, saving our customers both time and money.

Quality fuels offered

The terminal offers 24/7 truck loading capabilities for quality fuels, including:

- » Diesel (ULSD)
- » Dyed diesel (ULSDD)
- » Bio blended diesels
- » Jet A-1
- » Ethanol blended gasolines (RUL)
- » Ultra-low sulphur furnace oil

TOP TIER™ detergent gasoline approved fuels are also available.

All Greenergy fuels go through effective quality processes and procedures.

Our fuel is tested by independent third-party labs to confirm its quality standards.

Safety

Safety underpins everything we do. We create safe working environments by continually working to identify, assess and mitigate the risks associated with our operations.

We encourage and empower every individual working across the business to observe and report hazards, near misses or unwanted events, however small, without fear of blame.

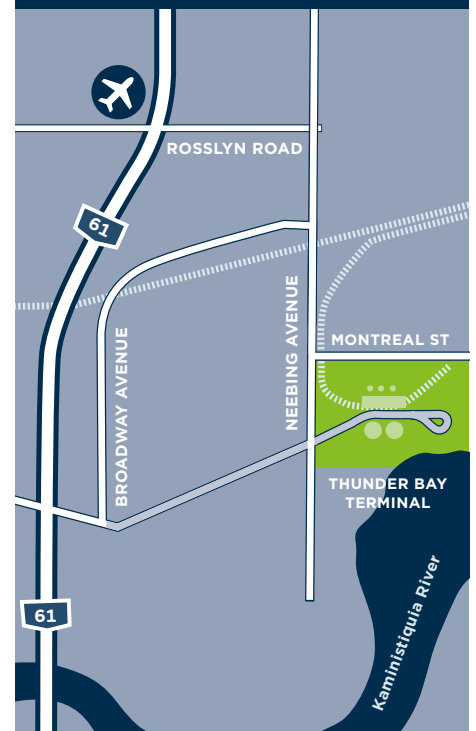

2024 KPIs*

We provide the best refined systems, controls, and a high level of transparency to our customers.

To keep you informed, we continuously evaluate and monitor KPIs at our Thunder Bay terminal:

- 2024 product availability: 100%**
- 2024 gate-to-gate time*: 25 minutes**

Conveniently located, the terminal is right off Highway 61 and minutes from the Thunder Bay International Airport
