# Inver Advantage

## About Inver

For over 40 years, Inver has been a trusted provider of high-quality fuel products. In 2012, we launched the Inver Retail Brand with our first service station, expanding our commitment to delivering reliable fuel solutions to forecourts across Ireland.

## The Inver Advantage

The Inver Advantage is a tailored package of benefits designed to help our forecourt partners grow and succeed. From resilient fuel supply and competitive pricing to branding support and operational services, we provide the tools and expertise to strengthen your business.

With a focus on partnership, innovation, and reliability, Inver is committed to driving long-term success for our dealers.

## Fuel supply you can trust at prices you can rely on

### International Supply Chain

As part of the Greenergy Group, Inver benefits from an international supply network, enabling us to import fuels into our co-owned terminal in Foynes. This global network ensures we can provide competitive prices and reliable supply across all fuel ranges.

### Daily and Weekly Pricing

Inver offers flexible credit terms and dynamic pricing options, including daily and weekly rates. This allows you to offer the best value to your customers while maintaining strong margins.

### Flexible Delivery

Inver ensures next-day delivery to forecourts across Ireland, with our dedicated haulage fleet.

### Multiple Contract Options

Inver offers a variety of contracts, including supply only, brand and supply and consignment formats. Whether you want full brand support or just reliable fuel supply, we tailor contracts to suit your business model.

### Quality-Assured Fuels

All fuels supplied by Inver meet national and European standards, with 100% traceability from the origin to the pumps.

## Enhancing your forecourt's image, fostering community ties and driving your business growth

### Branding and Presentation

Inver is a vibrant, modern brand. A significant capital investment is made in forecourt, elevating the overall appearance and appeal of your site.

First impressions matter, which is why we ensure your forecourt always looks its best. Inver provides regular power washing services to maintain a clean, welcoming site, reinforcing a positive brand image.

You can count on the support of our local marketing team to help drive growth to your forecourt.

### Sustainability

Inver is committed to helping decarbonise Ireland's transport sector by expanding the availability of Hydrotreated Vegetable Oil (HVO) at the pump. HVO is a lower carbon replacement for conventional diesel.

### Community

Inver believes that supporting the communities we serve is important. Through our Leading Lights initiative, we provide a yearly fund to support local community projects.
