

# A proven, successful solution tailored for your independent convenience business

SmartPOINT 

**Leveraging Greenergy's national convenience store network, Smartpoint provides independent dealers the power of a national chain while maintaining control.**

Backed by our team of experienced convenience experts, Smartpoint was built to provide independent dealers with a low cost, competitive program that supports sales and margin growth.

## Smartpoint allows you to benefit from:

- Greenergy's national convenience store expertise
- Access to major suppliers and national brands
- Direct-to-store product delivery - helping you focus on your customers
- Lower product costs and increased in-store margin
- Preferred rebate programs
- Regular promotional offers & supporting signage to drive sales
- Support for ancillary offers (Lotto, ATM, Slush, Foodservice)
- Convenience support while maintaining independent control
- Low annual fee

SmartPOINT
