

# Greenergy Concord

Our Concord fuel terminal provides competitively priced, local fuel supply to the Greater Toronto Area.

## About us

As a global leader in petroleum product supply and Europe's largest manufacturer of waste-based biodiesel, our unique global supply chain and terminal network in Ontario enables us to source and supply fuels from multiple sources, minimizing any dependence on specific refiners.

## Superior supply reliability for our customers.

We will make every effort to provide you with the best combination of price and service and work to meet the specific needs of your operation.

Our Concord terminal was our first terminal facility in Canada, opening in 2015 in partnership with CN. We have since doubled the size of that facility to better meet customer demand.

## Quality fuels offered

Our Concord terminal offers 24/7 truck loading capabilities for the following quality fuels:

- » Conventional Gasoline
- » Gasoline blended with ethanol (E10)
- » Premium Gasoline (PUL)
- » Diesel (ULSD) clear and dyed
- » Bio blended diesels
- » Low Sulphur Furnace Oil

TOP TIER™ detergent gasoline approved fuels are also available.

## All Greenergy fuels go through effective quality processes and procedures.

Our fuel is tested by independent third-party labs to confirm its quality standards.

## Safety

Safety underpins everything we do. We create safe working environments by continually working to identify, assess and mitigate the risks associated with our operations.

We encourage and empower every individual working across the business to observe and report hazards, near misses or unwanted events, however small, without fear of blame.

## 2021 KPIs\*

We provide the best refined systems, controls, and a high level of transparency to our customers.

To keep you informed, we continuously evaluate and monitor KPIs at our Concord Terminal:

**2021 product availability: 99%**

**2021 gate-to-gate time\*: 29 minutes**

Conveniently located, the rail and truck fed terminal is located within the CN CargoFlo rail yard, minutes away from the 407
